Presentation of 2019 Reports and Financial Statements

President, Competition, Development, Technical and Treasurers Reports

President's Report

Judy outlined another successful year for swimming and swimming development in our Area. She thanked the Committee and all volunteers for their time and effort in supporting that success. Judy highlighted the growth of the Area since inception and noted that although still one of the smallest Areas geographically, SMNE was one of the most successful:

It is amazing we are at our 10th AGM and it feels like it has gone so quickly. There were so many obstacles to getting the Area underway and so many detractors who

suggested SMNE would not succeed and would not be in the best interests of our swimmers. Since our first Competition shortly after inception, we have not looked back. We have been very lucky to have had Dennis Gorrick as the Competitions Convenor. Congratulations to our swimmers who competed in Speedo Sprints who once again took out the points score by a large margin. Special thanks need go to Ariel for taking on and succeeding in the roles of Meet Manager.

and Treasurer. David Beck is so full of energy and has brought great ideas to life and has been ably assisted by Cameron who has also brought new and fresh ideas to the key area of development, including the Swim League. Peter Shell has done an amazing job as our technical convenor and if we didn't have all the technical officials, we would not have been able to offer the amazing competitions we have. Peter has been ably assisted by Brett Patrick who has been integral to our success. Judy noted that it was her last year as President and was very thankful for all the help she has received.

From the floor, Judy was given some very heart-felt thanks for her dedication to SMNE over the last 9 years and for her contribution to Swimming Development and Competition in our Area and wider swimming community. Judy's invaluable assistance as a Referee was also acknowledged. Judy has contributed to the success of our Area in ways we can only applaud, and our past, current and future swimmers will forever benefit.

Competition Reports

On Dennis' behalf, Ariel summarised the busy and successful year undertaken at SMNE.

Ariel outlined the increase in participation in the Competitions in our Areas and the many events held by SMNE throughout the year.

From the floor, it was noted Dennis would be standing down as the Competitions Committee. Dennis' brought invaluable expertise to our Area when he joined the Committee many years ago and has continued to be an outstanding and invaluable member of our swimming community. We are all very thankful for his assistance and professionalism and acknowledge his exceptional contribution to SMNE, Swimming Development and Swimming Competition.

Development Report

On David's behalf Cameron provided a summary of the Development report. Coaches support was much appreciated. Current format for development is under review to ensure that SMNE is adding value to all our swimmers and clubs.

2019 is underway. Swim League was a successful and unique event we intend to repeat. The James Magnussen and Kurt Herzog events were very well received.

David expressed his thanks to all those that contributed to the success of Development within SMNE.

Technical Report

Peter thanked all those that volunteered throughout the year. SMNE will need to continue to work on securing volunteers and balancing the number of volunteers across Clubs. We need to continue to encourage officials who are progressing through the levels. Many thanks particularly to Brett and Ariel who have been great supporters.

Special thanks to John Hart who acted as mentor and assessor. His contribution was acknowledged, and much appreciated.

Treasurers Report

Accounts were presented to the auditor who returned the accounts as true and accurate. Query raised about the need to amend the constitution to ensure grants enabled.

A lot more swimmers entered evented than previous years so income from meets was higher than previous years.

Sound financial position.

Questions from the floor

Nil

Motion to accept the Annual Report and financial statements. Moved by Peter Shell; Seconded by Amanda Vance. **CARRIED.**

Notice of Motion

There were no Notices of Motion received by member clubs prior to the AGM.

Election of Office Bearers

The President stood down and Mark Heathcote, declared all positions vacant.

Vice President

No nominations had been received for the position of Vice President. Nominations were called from the floor. Sandra Van Kool nominated from the floor. Seconded by Peter Shell. No other nominations were received, and Sandra was duly elected.

Secretary

One nomination from Amanda Vance had been received for Secretary. As there were no other nominations, Amanda was duly elected.

Treasurer

No nominations – casual vacancy declared.

Competitions Secretary

One nomination from Ariel Darley had been received for Competitions Secretary. As there were no other nominations, Ariel Darley was duly elected.

Development Convenor

No nominations had been received for the position of Development Convenor. Nominations were called from the floor. No nominations – casual vacancy declared.

Area Technical Swimming Coordinator (ATSC)

No nominations had been received for the position of ATSC. Nominations were called from the floor. Peter Shell nominated, seconded by Judy Tier. As there were no other nominations, Peter was duly elected.

Individual members

Four nominations from Judy Tier, Anne Riley, Dennis Gorrick and Cameron Gledhill were received for the positions of Individual Members.

Nominating from the floor by Ariel Darley included: Mitch Falvey and Alistair McElligott and were seconded by Peter Shell.

All nominees were duly elected.

Election of Standing Committees

ATSC Committee (3 Members)

Three nominations from Brett Patrick, Graeme Field and Judy Tier had been received for these positions. As there were no other nomination, Brett and Judy were duly elected.

Competitions Committee (3 Members)

Two nomination from Michael Jacobs and Cameron Gledhill had been received for this committee. As there were no other nominations, Michael and Cameron were duly elected. Ariel Darley nominated Tim Lane from Warringah Aquatic. Tim was duly elected.

Development and Selection committee (3 members)

One nomination from Cameron Gledhill from Abbotsleigh had been received for these positions. Cameron was duly elected. Nominations were called from the floor. Anne Riley nominated and seconded by Peter Shell. Anne was duly elected.

Club Affiliation and Meet Entry Fees

It was proposed that area affiliation fees would remain at \$25 per club and meet entry fees would be \$7.50 per entry other than distance meets which would cost \$10 per entry and \$15 for each relay entry. This motion was proposed by Judy Tier on behalf of the Committee and seconded by Cameron Gledhill.

There was a preliminary discussion concerning possible alteration to the entry fees, however, given the Committee has already determined and put forward the proposal the matter was referred to the Committee for further discussion.

The motion was **CARRIED**.

Appointment of Auditor

Mr Ian England, honorary auditor, will be asked to be our auditor again for the 2019-2020 year. Moved by Ariel Darley; seconded by Graeme Field. **CARRIED.**

Appointment of Patron

Chris Fydler OAM confirmed that he will remain as Patron of SMNE for the coming year. Chris Fydler nominated for the position. Moved by Bronwyn Hewish; seconded by Judy Tier. **CARRIED.**

Message from Chris Fydler OAM, President SNSW

It is a thrill to be in the role of President of SNSW. Congratulations to SMNE. Judy has done an amazing job to drive the culture and success. Judy and I worked together from Club to SMNE and she has been a great person to work with.

SNSW has delivered sound financial management. Focused to continue to improve clarity of pathways for performance. We have delivered a high-performance squad in this region and we hope to see kids move into that squad. This is the third high performance squad (also at Homebush and Canberra). Our goal to make the pathways clear.

Hoping that Kate and Bronte Campbell will inspire our female athletes.

SNSW will be a sponsor of Swim League this year to ensure its success as it is a great initiative and brings fun back into the sport. Not as serious. Reminds me that it is about fun and not just all about times.

There is a new CEO of Swimming Australia. A challenging role but we are already seeing positive changes.

There is a focus on grassroots and participation. Unfortunately, Optus has withdrawn sponsorship which will impact the Jnr Dolphins program, SAL are currently looking for a replacement to start in the not too distant future.

Kieran Perkins has now joined the Board which will be a positive development. John Bertram is in his final year of being President so the next big challenge is to find a replacement for John so we can ensure ongoing success for what John has put in place.

SNSW AGM – several changes to the constitution have been proposed including that SNSW appoint not just elect Directors.

Feeling very positive about where things are moving with the sport.

Mark Heathcote

Swim Central update – some challenges but more flexible and certainly positive about the development of the product.

General Business

Nil.

The meeting closed at 8.45 pm.

PRESIDENT'S REPORT

It is with pleasure that I present my first President's Report after a successful year on many fronts for the SMNE Area.

2019-20 has been another fantastic swimming season. SMNE conducted 5 meets that provided a valuable platform for State and National competitors as well delivering the experience of competitive swimming to our newest members in a less intimidating atmosphere. Our events (Short Course, Long Course, Long Distance Champs and Speedo Sprint) this season attracted 9,500 entries. It was certainly great to see so many swimmers in the water doing what they love.

Congratulations to all competitors, whether it was PBs, qualifying times or records – the standard of competition was its usual high level. Special thanks to our Meet Director, Ariel Darley, and all the volunteers for their time.

Many thanks to our wonderful team of technical officials under the leadership of Peter Shell. Without this group of dedicated people, we would not be able to host our terrific swimming events. We know your assistance is not only given to our Area but also to the State and National events.

The Area's total membership stands at 19 Clubs with 2,378 members representing 8% of swimmers in NSW.

On the State and National scene, the Area continues to be well supported with many swimmers having opportunities in the pool. Our swimmers took away a whopping 35% of the State medals in 2019, both across Junior and Senior State long course and short course championships. Well done also to our junior swimmers who were the overall points score winners at this year's NSW Speedo Sprint Finals proving once again that SMNE is the NSW premier Area for the 4th consecutive year.

At the Australian Age Championships, we had 2 Clubs finish in the top 10 (Knox Pymble 5th and Carlile 9th). At the Australian Open Championships, Knox Pymble finished 7th and Ravenswood 11th overall. Congratulations to these Clubs on their fantastic results.

We also had numerous swimmers who competed as state and national representatives at various prestigious events. Please refer to the Teams and Squads table in the annual report. Needless to say, these swimmers are representing us at the highest level in our sport and deserve a special mention.

The high calibre swimmers bring unique challenges in designing engaging development activities for those that may already have a full calendar of swimming throughout the year.

James Magnussen clinics were a huge success with positive feedback from swimmers, coaches and parents. SMNE increased its investment in development activities this season, spending over \$22,000 to support the changes in this vital area. We plan to engage James and Kurt's assistance to developing the core part of our program next year. Thank you to David Beck and Alistair McElligott for their efforts in directing our Area's development program to success.

SMNE has undertaken a refresh of its image as first steps in reaching further into our local community to growing our swimming numbers. This was prompted also by the need to update our website with the rollout of Swim Central. A massive effort has gone into the design of new championship medals which proved to be extremely popular, new shirts for our technical officials and new shirts for our various squads, to increase the sense of belonging and pride in the SMNE Area.

SMNE is financially sound, with a cash level of \$125,681. The year closed with a net loss of \$21,660. This was mainly due to SMNE's planned investment in the development program which itself made a loss of \$25,546. I would like to thank our treasurer, Julie Morgan, for all her work with the finances.

I would like to thank the Committee: Sandra, Amanda, Julie, Ariel, Alistair, Peter, Brett, Cameron, Anne, Judy, Dennis, Graeme and Mitch for their time, energy and enthusiasm throughout the year. Thanks also to the team at Swimming NSW who assists us in many ways – you all make our jobs much easier.

Last but not least, my thanks to the dedication of our coaches and the hard work of our swimmers. We will continue to keep up our end of the bargain by providing you with the stepping stone to your continued success in swimming.

This coming year brings unique challenges as we manoeuvre carefully through the COVID-19 pandemic and the swimming industry reopens after an unprecedented 3 months of shutdown. Our association must be even more proactive in providing opportunities for all swimmers and their coaches.

The future is full of opportunities. We will greet the brand new 50m pool opening in Lane Cove this October which will provide even more options to host events and development activities in the Area. North Sydney pool will begin its renovation and when completed, will be another premium facility in our Area.

I hope everyone safely returns to swimming, and I look forward to a great year ahead for SMNE and our magnificent sport.

Helen Collett
President

COMPETITIONS REPORT

Our first meet for this reporting year was the Winter SC Distance Meet held at PLC on 8th May 2019. There were 222 athletes with 400 entries, slightly lower than the previous year due to a major event at PLC causing us to cut the meet short to enable a finish by 12 noon. Winter Championships were held at SOPAC on 15th and 16th June 2019. There were 594 swimmers with 2974 entries including relays held over the two days, 200 more entries than the previous year.

We conducted our LC Distance Championship events at Pymble Ladies College Aquatic Centre on 27th October, which attracted 253 swimmers and 459 entries (equivalent to the previous year).

The SMNE Summer Championships were held at SOPAC on 9th & 10th November 2019. There were 443 swimmers with 2135 entries and 93 hotly contested relays (relay limitations were removed) competing over the two days. These numbers are lower than the previous years due to the tighter qualifying times thus reducing the running time of the event.

We held the ever popular Speedo Sprint Series Heats on 1st February 2020 at SOPAC as this meet has now become too big to be held at PLC. There was a record number of entries and swimmers this year with 484 swimmers with 2093 entries. Unfortunately, the Speedo Sprint Finals clashed with a major Surf carnival on 29th February so our top 30 or so swimmers were not available to attend the Finals. Nevertheless, we sent a team of 108 athletes to compete in 192 entries. Sporting new t-shirts and swim caps, our 13/U team wowed the crowd with 38 podium finishes plus 63 top 10s, numerous PBs, State and National times to top off the exciting day with an overall win in the point scores taking out NSW Premier Area for the 4th consecutive year!

Unfortunately, COVID lockdowns brought a halt to training and every competition from mid March 2020 with the closure of pools for close to 3 months.

At the time of writing this report, the short course competitions for 2020 have been cancelled and the next competitions will begin in October 2020.

Ariel Darley
Competitions Convenor

DEVELOPMENT REPORT

In 2019, SMNE ran 5 Development squads:

National A's	Stroke clinics focusing on expert skills for elite swimmers
Senior Target squad	Clinics and a competition, targeting PBs for qualification
Junior Target squad	Clinics and a competition, targeting PBs at NSW State Age, or qualifying times for the 2018 National Age Championships.
Achievers squad	Clinics and a SNSW competition for Achievers Squad swimmers from across NSW
Junior Establishment squad	Swimmers aged 7-10 who would like to compete in the next SMNE Area Championships, even if they have done so already

Squads and Cost to swimmers

The 2019 squads, numbers and the costs to the swimmers were:

Squad	Swimmers	Cost
National Performance Squad - A	19	\$50 reduced from 2018
Senior Area - B	17	\$50 reduced from 2018
Junior Area - C	55	\$50 reduced from 2018
Achievers - D	56	\$50
Establishment - E	14	\$15
TOTAL	161	

Biggest changes from previous years

A and B squad participate in 2 shorter morning clinics. This follows from the success of the National Performance Squad model last year. One of these clinics was a Swimming Faster Freestyle clinic by James Magnussen

C and D squad clinics were run by James Magnussen and Kurt Herzog. The subject: Swimming Faster Freestyle. More info follows below.

A, B and C squad swimmers were eligible to compete in the Swim League and SMNE facilitated the heats by hiring the pool for the day. A number of four swimmers participated.

Swimming Faster Freestyle Clinics

3x Swimming Faster clinics were run by James & Kurt this year. MNEs A+B, C and D swimmers participated. The intent was to teach the swimmers how to swim faster through the introduction of high-level skills and drills learnt at the elite level. The focus was on freestyle.

All MNE coaches were invited to observe and a number attended. Larissa Bytchenkov, Rafael Rodrigues and Jane Simmons assisted with the D squad clinic.

The feedback from swimmers, coaches and parents was that the clinics were excellent. I highly commend them as a development squad activity, and we will use them as a core part of our program next year.

Swim League

- This year SMNE trialled participation in the swim league as a development activity:
- SMNE National, Senior Area and Junior Area Squad swimmers were encouraged to participate.
- The swimmers signed up separately from the Development squads via the Swim League website.
- SMNE sponsored the first Swim league day in our area by hiring the pool
- Swimmers paid \$35 for participation to cover Merchandise and the cost of the competition. This was payable to the Swim League and was via their website. SMNE did not receive any of these funds

SNSW Swim meets

SMNE attended the C squad swim meet. We did not attend the A or B squad meets due to a lack of interest from swimmers at these meets and similar meets in past years.

Coach Payments

This year SMS paid our coaches for assistance with A, B and E squads for clinic days.

Pool hire

SMNE hired the Pymble Ladies College pool for Development squad activities for 6x ~half days at the market rate.

ATSC REPORT

Firstly, I would like to thank everyone who has contributed to running our meets this year. It has been challenging at times to attract enough officials but thanks mainly to a core group, all meets were successfully officiated.

Much more work needs to be done to encourage all clubs to promote officiating and encourage parents to become officials. There is a dependence on only a few clubs in the area to provide officials. This will need to change if we are to continue to keep up the standard of officiating and to continue to successfully run meets with experienced officials.

Over 20 official assessments were done last year, including a number of JOS, IOT and L1 Starters. We also have a number of people on their way to achieving Most importantly Olivia Gauci passed and completed her L1 Referees accreditation. Congratulations to Olivia.

These numbers are down on last year but given the current situation not entirely unexpected. Once the meets start again, we will need to encourage more parents to get involved and help out.

There are a small number of officials that are progressing through the L2 and L3 Referee and Starter Pathways. These should be encouraged as they will bring a wealth of experience to the area.

Would especially like to thank Brett Patrick for all his help in getting the rosters organized and keeping the committee focused and running. And of course, it would be very remiss not to thank Ariel Darley for her dedication and support as our Meet Director.

TREASURER'S REPORT

The Financial Accounts for 2019/20 accounts have been reviewed and audited by Ian England. The accounts prepared by SMNE represent a true and fair view of the financial position of SMNE.

The 2019/20 accounts show an income of \$69,239 (2018/19: \$96,907) and a net loss of \$21,660 (2018/19 Profit \$32,049).

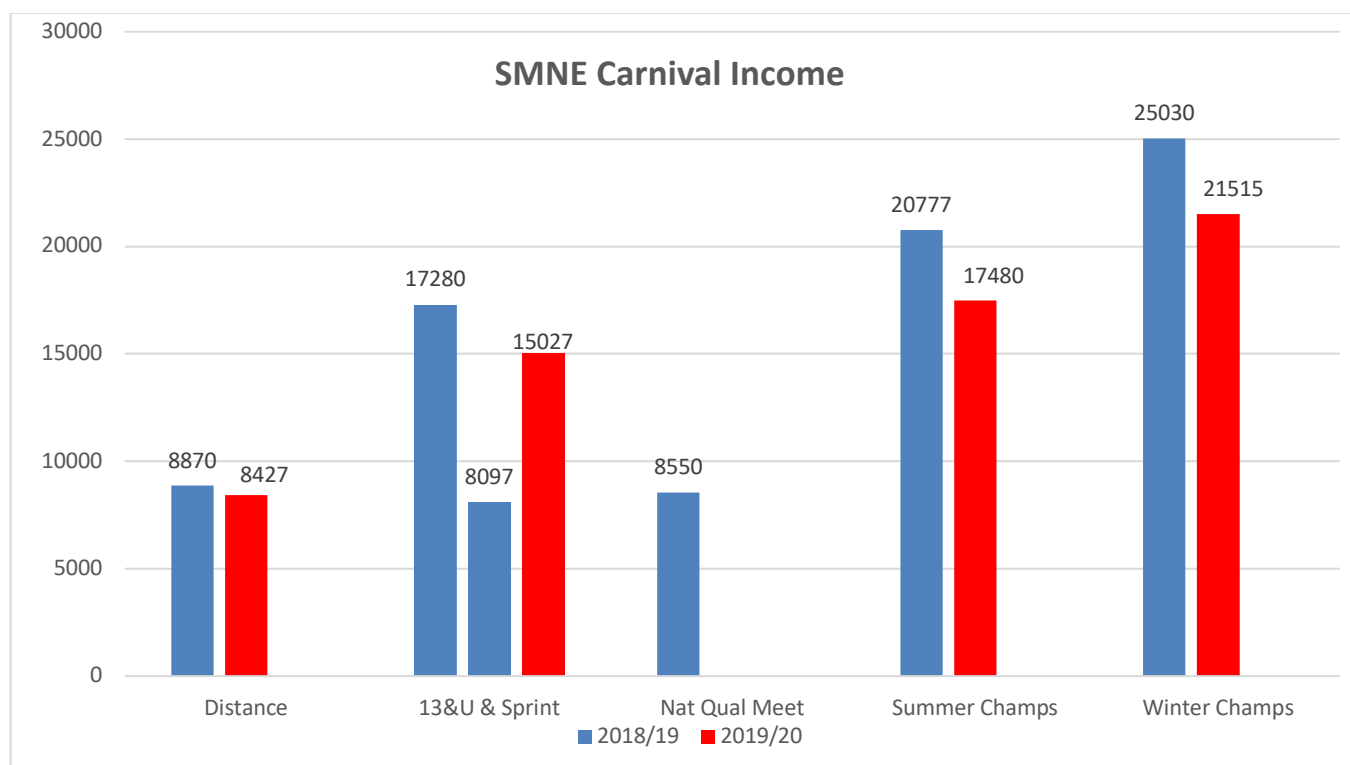

Cash and Cash Equivalents are \$125,681 (2018/19 \$151,803). The bank accounts are all at Westpac or PayPal. All account signatories have been updated to reflect the change on the committee.

Revenue

Affiliation Membership - Paid by all 18 clubs within our region (\$450)

Carnival Income was \$60,352. (2018/19 \$87,088). The major differences were:

- SMNE did not hold a National Qualifying Meet in March 2020, this reduced the income by \$8,550
- The October 13 & Under event was not held separately in 2019/20. It was combined with the February 2020 Speedo Sprints, reducing the revenue by \$10,350
- The remaining difference is made up from the lower race entries from Summer and Winter Champs, plus a smaller income from the development camps.

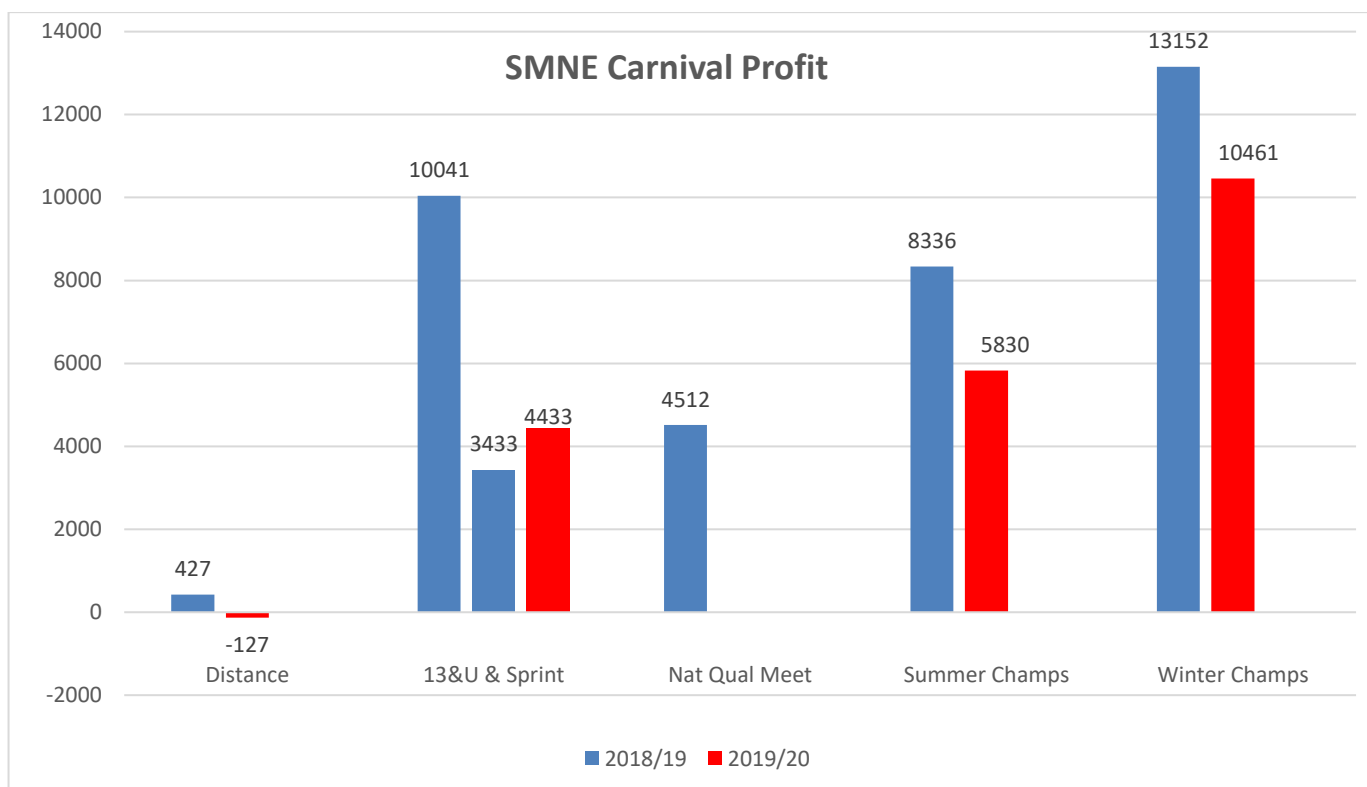

Cost of Sales Expenses

Cost of Sales Expenses relate to the expenses required to provide race meets e.g. catering and supplies, pool hire, printing and stationery, trophies etc. The expenses are \$5,512 lower in 2019/20 as SMNE held 2 fewer meets and therefore had 2 fewer pool hire costs.

	18/19	19/20
Catering and Supplies	2,466	3,455
Pool Hire	39,826	33,029
Printing	572	177
Trophies, Prizes, Ribbons	4,374	4,035
Other Costs	125	1,155
Total Carnival Expenses	47,363	41,851

Gross Profit

The Gross Profit for each Meet is shown below:

Development Income and Expenses

SMNE Development held a number of development camps throughout the year for all our member club's swimmers, plus a development meet for eligible swimmers.

	18/19	19/20
Development Participation Fees	8,819	7,273
SMNE Clothing	(2,616)	(9,417)
Coaches & Speakers	(2,400)	(10,620)
Venue Hire	(9,800)	(12,780)
Development Cost	<u>(5,997)</u>	<u>(25,546)</u>

During 2019, Swimmer SMNE T shirts and swim caps were refreshed with a new design. As a result, all swimmers invited to the development camps were given a new t-shirt and cap. Coaches costs have increased as SMNE ran programs with James Magnussen and Kurt Herzog. These costs are significantly higher than using SMNE coaches. However, SMNE swimmers enjoyed this experience and consequently SMNE expects a larger involvement of swimmers in 2020/21 development program.

Operating Expenses

Operating expenses were \$16,229 compared to 2018/19 \$2,680. At the beginning of 2019 SMNE bought a number of backstroke ledges at a cost of \$9,777. Member clubs were able to claim 2 free ledges for their local swimming clubs, as well as buy additional ledges from the SMNE. Technical officials received an upgraded uniform in 2019/20 at a cost of \$2,567.

Balance Sheet

Cash and Cash Equivalents

Cash and Cash Equivalents are \$125,681 (2018/19 \$151,803). The bank accounts are all at Westpac or PayPal. \$100,000 was moved from the day-to-day transaction account to an on-line easy access savings account to attract higher interest.

Inventory

Inventory consists of SMNE T-shirts, SMNE swim caps and Technical Official polo shirts (\$6,948). These are held in secure locations and were counted at the year end. They are valued at current cost.

Fixed Assts

The fixed assets relate to a computer purchased for the Meet Director in March 2018. It is being depreciated over 3 years.

Review of the financial position of Swimming Metro North East Incorporated (SMNE)

I have carried out a review of the attached accounts which have been presented by the Board of Swimming Metro North East Incorporated (SMNE) as representing a true and fair view of the financial position of SMNE for the period 1 April 2019 to 31 March 2020.

Following the review I confirm that nothing material has come to my attention that impacts the Boards representation that the accounts present a true and fair view of the financial position of SMNE for this period.

I would also like to highly commend you on both the approach taken to financial management and the way in which the information has been presented. Presentation of the information in this way provides the Board with a better view of the historical results and also should assist in decision making going forward.
